#### HOW YOU MAY THROW AWAY YOUR GLASSES

may be raining your eyes instead of Mr. Bowers has brought the subhelping them. Thousands who wear
these "windows" may prove for
themselves that they can dispense
with glasses if they will get the following prescription filled at once Go
to Ruppe's drug store or 10 gay achelping them. Thousands who wear those "windows" may prove for themselves that they can dispense with glasses if they will get the following prescription filled at once Go to Rupne's drug store or to any active drug store and get a bottle of Optona; fill a two-ounce bottle with warm water and drop in one Optona tablet. With this harmiess liquid solution bathe the eyes two to four times daily, and you are likely to be astonished at the results right from the start. Many who have been told that they have astignatism, eyes, conjunctivitis and other eye dispersion, catarnet, sore cyclids, weak eyes, conjunctivitis and other eye dispersion of the insurance department is peculiarly interested in the annitarium question. There is no doubt that anything the insurance department might say in favor of Albuquerque would have an income of \$17.000. Supplement this with a two-cent percapita, which would be about 115,000, and you would have \$22.000 to operate in the supplement of the one of the military branch. The insurance department is peculiarly interested in the anitarium question on account of the economic features on account of the conserving human life. There is no doubt that anything the insurance department is peculiarly interested in the anitarium question. There is no doubt that anything the insurance department is peculiarly interested in the anitarium question. There is no doubt that anything the insurance department is peculiarly interested in the anitarium question. There is no doubt that anything the insurance department is peculiarly interested in the anitarium question. There is no doubt that anything the insurance department is peculiarly interested in the anitarium question. There is no doubt that anything the might say in favor of Albuquerque would have an income of \$17.000. Supplement this with a two-cent percapita, which would not take more than \$25.000 to operate the two sanitariums and from \$8.000 to \$10.000 and you would have \$25.000 and you would have \$25.000 and you would have an income of \$17.000 eyes, conjunctivitis and other eye disorders report wenderful benefits from
the use of this prescription. Get this
prescription filled and use u you may
so strengthen your eyes that glasses
will not be necessary. Thousands who
are blind, or nearly so, or who wear
glasses, would never have required
them if they had cared for their eyes
in time. Save your syss before it is
too late! Do not become one of
these victims of neglect. Eyeglasses
are only cratches and every few
years they must be changed to fit
times. Once the government granted

## BOTH PARTIES NOW LEADING PYTHIANS FOR ALBUQUERQUE FOR SANITARIUM

ter from Head of Order in Georgia Promising His Sup-

MEMBERS ENCOURAGED BY THE OUTLOOK

Efforts to insure the location of Pythian expitation in this city are man from Tennessee to Arisona or being continued with unabated energy New Mexico would be a terrible by members of the order here. Recent developments have served to inscrease the feeling of encouragement that came to Albuquerque Pythians as a result of the visit of Supremo Keeper of Records and Seal F. R.

New Mexico would be a terrible drain on his resources, or on the finances of his lodge, whereas to send him to Norfe Carolina or Georgia would be comparatively little expense. A Knight in California perhaps could not make the try to the east, but he could so the short disease.

Mr. Wheaton came out flatly in banner was flung out bearing the favor of Albuquerque as a sanitarium slogan, "Vete for Sellers and Progsite. Since then other prominent ress." American flugs and are lights Pythians have given the Albuquerwill complete the decoration of the queans every reason to believe that neadquarters.

The Republican city committee has completed its organisation with Attorney John W. Wilson as chairman,

W. W. Howers, one of those most w. W. liwers, one of those most active in launching the sanitarium movement among the local Pythians, has written to a number of grand domains and worked on other lines to increase the support for Albuquerque. From the grand keeper of received. AWAY YOUR GLASSES

que. From the grand keeper of records and seal of Kansas he received
today a letter in which the sanitarium
idea is warmly supported, and Albuguerque is heartly endorsed as the
sands wear eyeglasses who do not
really need them. If you are one of
those infortunates, then these glasses
may be ruining your eyes instead of
the support of the first tution. "I want to
see our supreme representative in
favor of it, too," added the writer.
Mr. Bowers has brought the subabout \$375,000. The cost

en several other attempts.
"However, the great difficulty has

certed action on the part of the su-preme lodge. Several men would be become interested, and without any backing from the supreme lodge would start off at a tangent, and would become discouraged and let the matter drop. Another obstacle is the jealousy which will crose in, even into philanthropic schemes. One section of the country wishes to be the home of the sanutorium, and if their deiere is not granted, they refuse to have anything further to do with it.

"Now, my idea, all along, has been to submit the following pian (of course, with such suggestions and

opinions as others equally interested might deem advisable; to the suprome lodge at Winnipeg, for I be-lieve the time is ripe to start this

"Instead of having just one sana torium, to have two or if possible three. These to be located, one in the mountains of the southeast, one the mountains of the southeast, one in the southwest and the third in the northeast. The advantage of this is at once apparent, on account of the saving of railroad fare. To send a could go the short distance to the sanatorium in the southwest This would, of course, apply to the terri-

"It would not be my idea to build a handsome edifice, but to spend all of the money in building one-room cottages, with a commodious admin-istration building. This, I believe, could be done for \$10,000 for each

"In regard to financing this move nent, I think your idea of a percupita tax of 50 cents for the initial expense is a good one. Then for ten years a percapita tax of two cents a the expenses and create a reservfund in twenty years the interest or the reserve fund should pay all ex-penses, because I feel sure that there would be donations from "Let me elaborate on this a

#### FREIGHT CREW STONED BY STRIKERS ON THE PENNSYLVANIA

(By Leased Wire to Evening Herald.) Phtisburgh, Pa., March 36. - 3 FINAL ARGUMENTS freight erew on the Monongahein division of the Pennsylvania railroad was attacked early today at Fredericktown, Pa., by a more of 500 Stones were thrown and shots fired, but no one was burt. The crew was finally rescued by police and sent to Brownsville. This was the most the characterized the strike of the train-

men on the division during the night.

The information reached here at moon that leaders of the United Milie Workers at Uniontown, "a., and called out members of the union which supplied coal to the Pennsylvania until the strike on the Monon ganela division was settled. The order, effective today, will bring out approximately 5,898 men.

Preight officials assert that the topongahela division is fully manned and freight and passenger trains oving regularly.
